

# **Jesus, You're My Friend**

(Mary Potter)

When I've got a problem and I don't know what to do  
Jesus you are near me I can always talk to you  
You are my healer, my friend and my guide  
Jesus you are always by my side

When the world is quiet and I am sitting on my own  
Jesus I can talk to you I never feel alone  
In the crowded city I can find you there  
Jesus you're my friend and you are here

When I'm feeling scared of things I just don't understand  
Jesus I know you're beside me you give me your hand  
You give me courage through the darkest night  
Jesus you're my friend and you're the light  
Jesus you're my friend and you're the light
