

Summer Camp

(Mary Potter)

Here we are, here we are and what are we going to do

We're gonna cook and eat and wash up explore and have some fun
We'll stick to what we're doing until the job is done
We'll rise to ev'ry challenge however big or small
'Cos when we've reached the summit we all feel ten feet tall

(Chorus)

Because it's summer camp
Summer camp
Never mind the biscuits and the bedclothes are all damp
Just ignore the blisters the aches and pains and cramp
'Cos it's summer, summer, summer camp

We're gonna doze off under canvas, come rain or hail or shine
And if you lose your t-shirt I'll lend you one of mine
We'll do some orienteering and find our way back home
With all our mates around us we'll never feel alone

(Chorus)

Because it's summer camp
Summer camp
Never mind the biscuits and the bedclothes are all damp
Just ignore the blisters the aches and pains and cramp
'Cos it's summer, summer, summer camp

We're gonna climb up on our surfboards and ride along the waves
We'll rope ourselves together and tunnel through the caves
We'll light a roaring campfire and sit around and sing
And wonder what adventures the bnext few days will bring

(Chorus)

Because it's summer camp
Summer camp
Never mind the biscuits and the bedclothes are all damp
Just ignore the blisters the aches and pains and cramp
'Cos it's summer, summer, summer camp
