

# **Bethlehem is Whirling Tonight!**

(Mary Potter)

Bethlehem is whirling tonight!  
Bethlehem is swirling tonight!  
There are visitors coming, the whole town is humming!  
Bethlehem is whirling tonight!

Kneading bread, straining cheeses  
Bethlehem, Bethlehem  
Airing beds so no-one freezes  
Bethlehem, Bethlehem

Can you feel it in the air?  
A promise long forgotten  
Will it happen here in Bethlehem?  
In Bethlehem, tonight?

Bethlehem is whirling tonight!  
Bethlehem is swirling tonight!  
There are visitors coming, the whole town is humming!  
Bethlehem is whirling tonight!

Bethlehem is whirling tonight!  
Bethlehem is whirling tonight!
