

Wood is Good

(Mary Potter)

(Chorus)

Wood! Wood! It's very good!

Everything here is made out of wood

Wood! Wood! It's very good!

We're grainy and we're brainy and we're made out of wood

Oak is solid, willows bendy

Teak is oily, pine is trendy

Sow a seed you'll get all you need from trees

We call it wood

Its very good

(Chorus)

Wood! Wood! It's very good!

Everything here is made out of wood

Wood! Wood! It's very good!

We're grainy and we're brainy and we're made out of wood

Sitting on your wooden chairs

Climbing up those wooden stairs

Lying in your wooden bed

With beams above your head

They're made of wood

And wood is good

It's very good!
