Jesus, you're my friend

When I've got a problem and I don't know what to do,
Jesus, you are near me, I can always talk to you,
You are my healer, my friend, and my guide,
Jesus, you are always by my side.

When the world is quiet and I am sitting on my own,
Jesus, I can talk to you, I never feel alone,
In the crowded city, I can find you there,
Jesus, you're my friend and you are here.

When I'm feeling scared of things I just don't understand,
Jesus, I know you're beside me, you give me your hand,
You give me courage through the darkest night,
Jesus, you're my friend and you're the Light,
Jesus, you're my friend and you're the Light.
